

GEANT4

for

LHCb Calorimeters

**D. Rusinov
(ITEP)**

What do we want ?:

1) Standalone programs

- * **Compare with GEANT3**
- * **Compare with data**
 - 1) **for electrons and photons**
 - 2) **for hadrons (later)**

2) GAUDI framework

- * **Describe CALO geometry**
using new GAUDI tool
- * **Compare new geometry**
description with SICB.
